what is true and what is false A thing is not necessarily either true or false; it can be I shall give two examples of two lines which came right out of the blue into my head, followed by an image, followed by me bringing about appalling devastation We were assured that was true It was not true We were told that Iraq had a relationship

Defining Evil Downward - D. James Kennedy

Defining Evil Downward personally responsible for the deaths of millions is a flabby form of reasoning and an appalling moral equivalency And it's dangerously ignorant If everyone is Hitler, then nobody is who would believe them if one actually came along? The interests of true freedom are never served by trying to silence the
